All our team is loving it, albeit the challenges of KMZ and of course the bloomin hills! Lots of fine banter...

Feedback from my team is that this series has been fantastic mate. Very very enjoyable.

"Authentic" "way better than WTRL" "loving FRR" - just passing on comments from my team mates

Thanks so much for that!!  
Well appreciated, that's so kind

Hope you got some rest. I can't imagine what you're dealing with right now. You're so responsive and on top of everything. I know it's a lot of effort and time and really appreciate it. I wish all organizers were half as kind and professional as you have been.

Ha! That makes me feel a lot better! FRR Series becoming a monster it's getting bigger and bigger!

Dracarys LMAO

Thanks, you're doing a sterling job, keeping us all in order!

Good job ABR ! Really consistant results. Well deserved victory !  
Get ready for Britannia, Velo Optimum is coming for you

Well done ABR !!! Coalition is coming for you next series !!

I have to say I have been really impressed by this league set up. It seems fair and consistent and promotes you to do your best rather than cruise and sprint. The mixed levels and the multi time seems like a great idea. Getting upgraded is not as much of a punishment in this set up and ultimately you will be racing against the same people even with the upgrade meaning you can still enjoy it. Yes it changes scores across the whole tour it is fair and you don't just lose everything it just gets repurposed into the next level. Thumbs up from me and I think ZRL could learn a lot. Thanks for getting us involved with this...

FRR is so much more fun then Zrl!  
Can't wait till next tour...  
I have nothing to live for now, till the next one
